

**CO, CPO**  
**Product Development & Clinical Education**

Becker Orthopedic requires an experienced CO or CPO to join our Product Development and Clinical Education team. Based at our corporate headquarters in Troy, Michigan, the successful candidate will have a minimum of 3 years post certification experience and possess a strong interest in biomechanics and gait. It is envisioned that 50% of time will be devoted to the role of **Clinical Education Specialist** and the development and presentation of technical/clinical materials for internal, regional and national conferences.

Applicants should possess ABC Certification, have excellent written and verbal communication skills, be willing to travel and be able to demonstrate some experience in presenting complex clinical and technical subject matter to a professional audience. Preference will be given to candidates who have clinical experience in the orthotic management of scoliosis.

Applications in writing, including a current CV, should be sent or emailed to:

James H Campbell Ph.D.,CO  
Executive Vice President  
Becker Orthopedic  
635 Executive Drive  
Troy, MI 48083
